

ERASMUS VET+ IN SPAIN

ACCOMMODATION IN FUERTEVENTURA

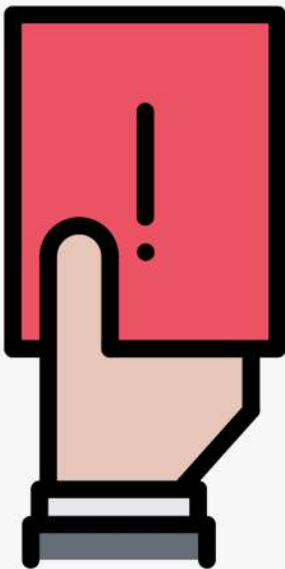

KEEP IN MIND...

Every accommodation has its own rules, and we will not be responsible for failure to comply with them and the measures taken by the hotel.

Groups are considered full-fledged clients as soon as they enter the accommodation. This means that we **will support groups, but incidents such as cleanings, technical issues, internet, etc., should be managed by the groups with accommodation staff.**

¡PENALTIES!

In case of bad behaviour, noise or damage, economic sanctions or maintenance/cleaning tasks will be considered to apply.

Accompanying persons will be responsible that the group complies with the rules (noise, control of minors, etc).

In case of **changes of dates or structure of the group less than 1 month in advance**, we cannot guarantee to have the same conditions and penalties may even be applied.
